3rd April 2019 - 5th April 2019

Exciting Announcements from Stellapps

mooOPT™: Milk insights from data

Stellapps solutions envision not just gathering the data but analyzing the data to generate analytics and insights which helps in taking decisions to optimize the dairy supply chain. Stellapps' new data analytics solution mooOPT™ provides Monthly Milk Procurement Data Analysis, to begin with.

ConTrak™ goes wireless

Stellapps' cold chain monitoring and tracking solution ConTrak™ has come up with its new version, which is completely wireless. All the sensors can communicate to ConTrak™ module without any wire and this gives the flexibility to add multiple sensors without any limitations.

Mr. Nandigam (Zonal Manager) Stellapps Technologies handing over the gift to Ms. Nara Bramhini, ED Heritage Foods Private Limited

Mr. Ranjith Mukundan (CEO & Co-Founder) invited for sharing his entrepreneurial experiences in the NDRI Global Alumni Scientific Meet 2019 at NDRI Karnal, Haryana

Stellapps Technologies is selected by NITI Aayog to participate in the "Startups for Smart Agriculture" Conclave at National Africa-Food Biotechnology Institute (NABI), Mohali, Punjab.

Stellapps Technologies at 47th Dairy Industry Conference, Patna
