WORKING CLOSELY WITH OUR CUSTOMERS TO DIGITIZE INDIAN DAIRY SECTOR

Stellapps officials in a meeting with the MD of Sumul Milk Union to discuss the benefits of our digital solutions for dairies

EMERGING STRONGER...

Dear valued customer,

As the world fights the COVID-19 pandemic and the country under lockdown, the Business As Usual need to be redefined. In these difficult times, we do what we have always done, we INNOVATE. Reiterating our commitment to serving you better, we are falling back to the drawing board to invent solutions that will delight you. We are taking all possible measures to ensure business continuity while continually trying to ensure our employees remain safe and healthy. We are closely following the guidelines from the Ministry of Health & Family Welfare and the local administration in helping reduce the chances of the virus spreading. We are trying to minimize the impact of supply chain interruptions due to the lockdown.

PARTNERSHIP FOR DEVELOPMENT

A delegation from Bill & Melinda Gates Foundation visited milk collection centers in rural Bihar under COMFED on 4th of March to interact with dairy farmers and understand how digitization had improved their lives.

INSPIRING THE WOMEN ENGINEERS OF TOMORROW

Stellapps engaged an all women group of 50 students from the final year Electronics and Communication Engineering from the GSSS Engineering College, Mysuru, as part of the women's day celebration. The students were inquisitive about the potential of IoT and digitization to create solutions for the agricultural industry and improve farmer income.

WE-CARE... EYE-CARE

A successful Eye -checkup Camp was organized by Stellapps HR team on March 10th, 2020 in collaboration with Dr. Agarwal Eye Hospital.

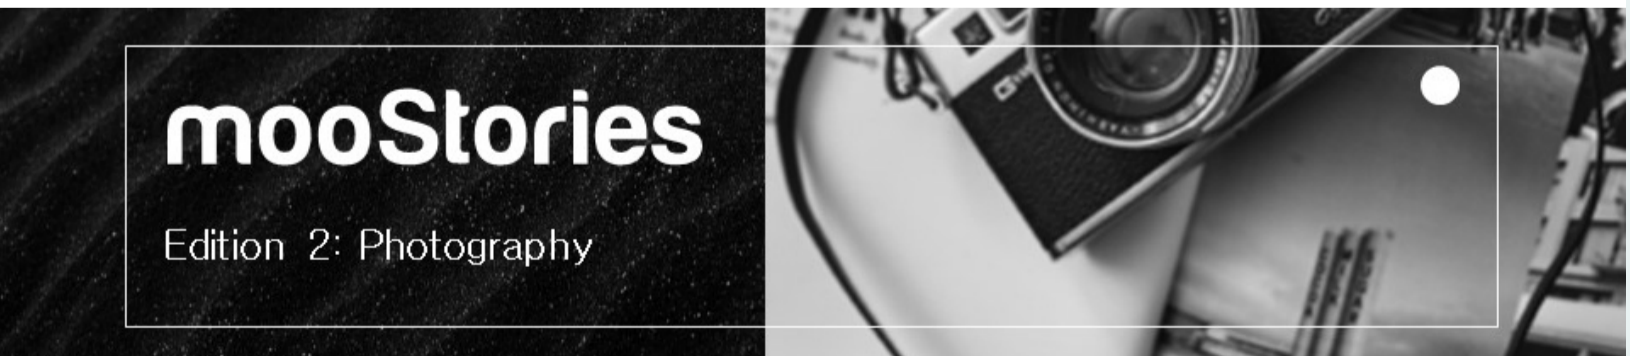

MOOING CREATIVE STORIES

mooStories is a collection of creatives and stories from the house of Stellapps. In the first edition, we are featuring a handful of our in-house artists and their artworks.
