KUDOS TO THE HEROES OF DIGITIZATION

Dear Stellapps team,

It was the first type of program from a supplier. This type of program will help us to act as a bridge for direct interaction with the supplier and end user. I would like to especially thank Mr. Jaiprakash and Mr. Sujit for co-ordinating a splendid program. Stellapps has been adding value to our milk procurement system. We appreciate this type of appreciation from Stellapps. We like to work in the same spirit in the future as a team to provide all the solutions to the milk procurement system at KDP, Purnea. Kudos to Stellapps team.

Thanks and regards,
Kosi Dairy Project, Purnea, (Bihar)

WORKING CLOSELY WITH OUR CUSTOMERS TO DIGITIZE INDIAN DAIRY SECTOR

Stellapps delegation visited Motihari Milk Producer Company to discuss the potential of digitization. In picture, Dr. Punjrath addressing the Motihari MPC team.

Dr. Santosh Thomas, Program Director - Farm Solutions, illustrated how agents at Greenfields Dairy can benefit from Stellapps

Stellapps organized a digitization training session for Namaste India operators in Shivrajpur, Uttar Pradesh.

SPREADING THE WORD ABOUT DAIRY DIGITIZATION

Stellapps participated in the Farmers camp organized by Heritage at Waranga, Maharashtra. The event witnessed a massive turnout of farmers and much enthusiasm around benefits of digitization.

EVENT ORGANISED BY CII IN PARTNERSHIP WITH AAVIN

Nithin Balaji sheds light on how BMC monitoring can improve chilling efficiency and reduce energy consumption at the CII awareness workshop on energy efficiency and renewable energy at Aavin

Nikhil Raj expounds on the various benefits offered by Stellapps' ConTrak that help milk remain fresh in the cold chain at a CII workshop in Milma.

Stellapps was a part of the South-South business exchange program organized by German Society for International Cooperation (GIZ) in Bengaluru

Dr. Santosh Thomas, delivered a lecture on digitizing dairy production & milk quality management to India's leading animal nutritionists and scientists at NIANP Bangalore.
