

PRESENTING THE BENEFITS OF DAIRY DIGITIZATION TO THE HON' UNION MINISTER OF ELECTRONICS AND INFORMATION TECHNOLOGY

Stellapps was one among the hand-picked startups to present their solutions to the Hon' Union Minister of Electronics and Technology, Shri. Ravishankar Prasad who visited NASSCOM office, Bengaluru on 23rd Aug. He remarked on the importance of startups in nation building and creating a digital ecosystem to carry forth the nation's development mantra of 'Reform, Perform, Transform'. He also applauded the good work done by the startups who showcased their solutions at the event.

STELLAPPS AT DAIRY TECH INDIA, BENGALURU

The three day event witnessed a massive turnout of farmers and dairy companies who showed much interest in our innovative range of solutions. We thank everyone who visited our stall and made this event a grand success.

STELLAPPS BOARD VISITS BIHAR SITES

Stellapps Board visits Milk Collection Societies under Patna Union and Barauni Union, COMFED and a Collection Society and Chilling Center of OSAM Dairy in Begusarai. The team interacted with farmers and took stock of the impact of our solutions in Bihar.

EMPOWERING RURAL WOMEN WITH TECHNOLOGY

These snapshots depicts the impact of our technology solutions in bridging the gender gap in Chaikydumalpur, Barauni Union, COMFED, Bihar. Stellapps aims to bring technology to the hands of millions of such women in remote rural villages of India.

HARBINGERS OF DAIRY DIGITIZATION

Ranjith Mukundan, CEO, Stellapps, delivering the address on Dairy Digitization as a New Business model at CII Foodpro 2019, Chennai on 24th of Aug.

Our co-founder, Mr. Ravishankar Shiroor sheds light on how technology could aid in increasing farmer income at AgTec Roundtable on 30th Aug at Delhi.
